Our eco-friendly coffins

Cardboard — £650.00

An environmentally sympathetic, biodegradable cardboard coffin, with an engraved name plate and a lined interior. Handles and a head cross are optional. A printed version, carrying a full-colour design of your choosing, is £700.

Willow — £795.00

An environmentally friendly woven willow coffin with rope handles and a wooden name plate, in natural, buff or white.

Pine — £850.00

An environmentally friendly solid pine coffin, with an engraved name plate and a lined interior. Handles and a head cross are optional.

Cane, loom and seagrass — from £900.00

Hand-woven natural coffins, each one slightly different from the last. Cane and loom have a pale, even weave; seagrass is darker and more textured.

Daisy water hyacinth — from £900.00

The Daisy range, in curved-ended and traditional shapes.

Wool — from £900.00

The woollen outer layer is hand-fitted around a strong frame of 100% recycled cardboard, reinforced with a base board for rigidity.

Every price above is for the coffin alone. It is not the cost of the funeral. Our full price list sets out professional fees, the hearse, and the fees charged by crematoria and churches.
