INDEPENDENT FUNERAL DIRECTORS

Standardised Price List

October 2026

All funeral directors are required by law to publish this price list, in this format, so that you can compare what different firms charge. The prices below are our own charges unless the line says otherwise.

Collecting and transporting the person who has died from the place of death, within 20 miles of our premises	£300.00
Care and attention of the person who has died before the funeral — presentation and dressing by our trained staff, use of our cold room, and chapel visits	£350.00

Viewing of the person who has died, by appointment	Included
Taking the person who has died to the cemetery or crematorium in a hearse, within 20 miles of our premises, with four bearers	£675.00

Unattended funeral

Cremation — our charges together with the cremation fee	£1,595.00

Burial — our charges only	On request
<i>The cost of the grave and the burial fee are set by the burial ground and are not included.</i>
